After being out an hour and a quarter the jury in the Circuit Court of Alexaudria county reported about 10 o'clock last night that they had been unable to agree upon a verdict in the case of Louis Murdock, who is being tried under an indictment for selling liquor without a license at St. Asaph. Judge Nicol ordered the sheriff to detain the jury over night It was rumored about the courthouse that the jury, which, under the code, is composed of seven men, stood six to one for conviction.

Murdock claims to be a member of the Hiawatha Pleasure and Social Club, which has headquarters at St. Asaph. It is claimed that the institution is a bons fide club, and that Murdock did not violate the law in dispensing liquor

The demurrer to the coding assisted by Misses Leadbeater, pleas was sustained, and on motion of Mr. Mackey the plea that Murdock had acted within his rights as a member of the glab was sustained. the club was stricken out.

Five witnesses were called by the having bought intoxicating drink at the Alexandria Hospital. The deceased Hiawatha Club when they were not became ill a day or two ago, and yestermembers of the organization, and one or them identified Murdock as the man who wild the licenses. who sold the liquor. ### Copies of Indictments For-

warded. The proceedings of the United States Court which has been in session in this city this week have been of peculiar interest from the fact that certain individuals charged with robbing postoffices in this section have been indicted. The gang to which these men belong has ex-tended its operations over a large area, and at one time members of it lived in Alexandria, while others made their rendezvous near this city. Assistant District Attorney Robert H. Addresses - were made by Mr. Bryan, Senator Carmack and others. Mr. Bryan's subject was "Watchman, What of the Night."

After speaking of the causes which, in part, contributed to the recent defeat of the democratic party, Mr. Bryan said the platform adopted at Kansas City exresses the views of more democrats than any platform adopted since. He praised several recommendations made President Rooseve-t, and spoke of him as doing many good things. Mr. Bryan closed as follows:

"Just now President Roosevelt gives some promise of beginning a reform movement. He recommends legislation which will inform the public in regard to campaign contributions. This is a farreaching recommendation, and should receive the carnest support of every democrat. He also recommends an enlargement of the scope of the interstate commerce law. This, too, is a step in the right direction, and he receives the support of all democrats in any effort he may make to bring the railroads under more strict control. It the President, with the aid of the democrats, accomplishes any reform, the public will secure the bene fit of it; if even with democratic aid he fails, the educational work which he does will help the democratte party in future
